### RESERVATIONS

We are happy to enter advanced reservations for our guests. With limited time and space, a cancellation or early departure not only results in a loss to us but deprives others from the opportunity of reserving.

- 1) When setting your reservation, we require definite arrival and departure dates. You are responsible for all the days you reserve. Guests will be charged for the entire period of their reservations. No refunds on early departures.
- 2) We urge early reservations to ensure your preferred dates and units are available.
- 3) We require a one-night deposit for each unit reserved. Deposits are due within 2 weeks from the date of placing the reservations.
- 4) If the reservation is cancelled, the amounts paid minus a \$30.00 cancellation fee will be refunded. For cancellations made 45 days or less prior to your scheduled arrival, your deposit will not be refunded.
